JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

KALAMAZOO, MICH.**STABLES—CARE AND DISPOSAL OF MANURE.**

SECTION 1. Section 28 of ordinance No. 154, the same being an ordinance relative to the public health, is hereby amended, to read as provided in section 3 of this ordinance.

SEC. 3. No person, persons, partnership, or corporation shall deposit, place, permit, or allow to be deposited or placed any manure or barn cleanings of any kind or description for a longer period than 48 hours upon any premises within the city of Kalamazoo, except as herein provided. All manure or barn cleanings of any kind or description shall be kept and placed in boxes or bins which shall be closed and absolutely fly proof and approved by the city health officer or board of health, and no such bin or box shall be built, kept, or maintained nearer to any adjoining house than 25 feet, and then the contents thereof shall be removed and the said box or bin thoroughly cleaned at least once every 30 days during the months of April, May, June, July, August, September, and October, and oftener if the city health officer shall so direct and order.

The above provision shall not apply to manure used for agricultural or gardening purposes provided the same shall be spread upon the premises. Manure for gardening or agricultural purposes may be stored unscreened, but not nearer than 150 feet from any dwelling house. It shall be the duty of the health officer or the chief of police of said city to notify any person, persons, partnership, or corporation who shall deposit or place, or allow to remain or be deposited or placed, any manure or barn cleanings, or who shall build, keep, or maintain, or allow or permit to be built, kept, or maintained, any bin or other place for holding manure contrary to the provisions of this ordinance to remove said manure or barn cleanings or the contents of said box or bin within 48 hours, and if not removed within said time after the service of such notice upon such person, persons, partnership, or corporation, it shall be the duty of the health officer to cause the removal of such manure or barn cleanings at the expense of the party keeping or allowing the same to remain contrary to the provisions of this ordinance, and the costs and expense of such removal may be recovered by the city in an action of assumpsit against said person, persons, partnership, or corporation in any court of competent jurisdiction, in addition to the other penalty herein provided. Any person, persons, partnership, or corporation who shall violate the provisions of this section shall be punished by a fine of not less than \$5 and not exceeding \$50 and costs of prosecution for every separate day upon which such manure or barn cleanings shall be allowed to remain upon the premises after the expiration of the time provided in this section. [Ordinance adopted March 13, 1911.]

PITTSBURGH, PA.**STABLES—REGULATION OF.**

SECTION 1. No stable, or building for the housing of animal or animals, shall hereafter be erected, placed, maintained, or continued, upon any lot of ground in the city of Pittsburgh, unless the same be at least 25 feet distant from any tenement house or part thereof, or other dwelling house or part thereof, nor unless the floor of such stable or building be constructed of concrete or other nonabsorbent material, and such stable or building shall be provided with a sewer-connected floor drain within said building or stable of sufficient size to carry all water and liquid stable filth.

SEC. 2. Every owner, agent, lessee, or occupant of any stable or other place in the city of Pittsburgh where horses, cattle, or other animals are kept, or of any place in which manure or any liquid discharge of such animals shall collect, shall at all times keep, or cause to be kept, such stables and places, and the drainage and appurtenances thereof, in a wholesome and cleanly condition, so that no offensive smell shall escape. Every stall, stable, or place where horses or cattle are kept shall have a properly covered, water-tight manure vault or box, which shall be ventilated by a tube extended from such vault or box a sufficient distance for said ventilation, and said box or vault shall not be allowed to become filled or to overflow.

SEC. 3. Any person or persons who shall fail, neglect, or refuse to comply with or who shall violate any of the provisions of this ordinance shall upon conviction thereof, in a summary proceeding before any police magistrate or alderman in the city of Pittsburgh, be sentenced to pay a fine of not more than \$50, and in default of payment thereof to be imprisoned in the county jail for a period of not more than 30 days. [Ordinance adopted March 27, 1911.]
